Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Supplemental to the Information Disclosure Statement dated April 19, 2007, Applicants are enclosing a copy of the First Office Action dated November 16, 2004, issued in the Priority Application AT A 142/2004 and an English translation thereof. The references cited therein, including DE 25 02 183, DE 36 15 940, US 3,817,647, DE 1 552 463 and DE 44 30 331, were previously disclosed and listed on the Form PTO-1449 accompanying Applicants' April 19, 2007 Information Disclosure Statement.

Page 2 of the German text (page 4 of the translation) of the Office Action refers to "DE 63 29 033 C2" mentioned in the specification of the Austrian Priority Application, which should have correctly read "DE 36 29 033 C2", which was also listed in

Applicants' April 19, 2007 Information Disclosure Statement.

It is respectfully requested that the foregoing Supplemental Information Disclosure Statement (IDS) be incorporated into the official file of the present patent application. Because this Supplemental IDS is being filed before a first Office Action on the merits, it is believed that no fee is required. However, if a fee should be required for this Supplemental IDS, the Commissioner of Patents and Trademarks is hereby authorized to charge, or to credit any over payment, to our Deposit Account Number 03-2468.

Respectfully submitted,  
Wolfgang RADKOWITSCH ET AL.
